The Enhanced **WellComm** Speech and Language Screening Toolkit Workshop

Do you have children in Early Years whose language and communication is delayed?

Target audience	Early Years practitioners
Talk to us about training your whole setting or joining together with colleagues from other settings:- info@soundswellspeech.com	

The workshop will cover:

- Why early identification of speech, language & communication needs is so important
- Getting interventions underway at the earliest opportunity
- Wellcomm and EaL
- How to collect and use data to track progress and inform decision making
- Resources for screening & intervention

At the end of this workshop you will:

- Be familiar with the Wellcomm toolkit
- Be confident to carry out screening
- Know how to use data to help group children most effectively
- Learn how data measures the impact of your interventions
- Be able to make data-set comparisons that are individual to *your* children and *your* setting

Participants say:-

“Superb! Thoroughly informative”

“A great tool I can out to use immediately in my setting”

“can’t wait to get started”
