

Help children to learn by using		Visual prompts
'Good sitting'	being <i>still</i> , watching and waiting	
Gain attention	put your hand up, say the name of the person you want to speak to	
Speaker	looking + talking + using non-verbal cues	
Listener	looking and listening (no talking!)	
Speak slowly	remember, sound takes time to travel	
Know when to take turns	it's hard to talk and listen at the same time	
Show they understand	so the speaker knows when to carry on	
... and ask if not	children need to know it's okay to ask for help
